

Canada Life - Monumental Staircase, Elevator and Revolving Doors

Location Toronto, Ontario
Designer / Architect Shore, Tilbe, Irwin Architects
Duration Mar 1992 - Apr 1993

Scope - Soheil Mosun Limited was contracted to manufacture and install a monumental stainless steel and glass staircase, and elevator and glass revolving doors and brass ceiling trim with light fixtures.

Highlights - The monumental staircase features mirror polished stainless steel stringers and guardrails and mirror polished brass handrails, with etched and brushed stainless steel supports, brushed brass trim, and curved tempered glass. The brass elevator doors are etched and patinaed. Brushed brass ceiling trim with etched stainless steel bands surrounding tempered, frosted circular glass light fixtures.
